

Getting active can be difficult. But we're here to help. With Ramblers Walking for Health, you can take part in a free short walk nearby to help you get active and stay active at a pace that works for you. It's a great way to stretch your legs, explore what's on your doorstep, and make new friends. For over 14 years, we've helped thousands of people like you discover the many benefits of regular group walks. From reducing stress, to losing weight, to sharing laughs, Ramblers Walking for Health has something for everyone.

### Why walk?

Walking is truly accessible - almost everyone can do it anywhere and at any time. It won't cost you anything, and you don't need any fancy equipment to hit the pavement.

If you still need convincing, here are a few positive things that walking can do for your health...

- Help your heart and lungs work better
- Lower your blood pressure
- Keep your weight down
- Lighten your mood
- Keep your joints, muscles and bones strong
- Increase 'good' cholesterol

### How you can get involved

Gosport W4H is your local Ramblers Walking for Health scheme. Our walks are free, fun and friendly – perfect to help you get active and meet new people. If you'd like to take part, all you have to do is come along to the start point of one of our walks a few minutes early, so that one of our trained walk leaders can take your details. Then you're free to take part in as many walks as you like, as often as you like. If you want to know more before you start, just get in touch on
