‘14<sup>th</sup> of March 2019’

### What is #SocialPrescribingDay?

14<sup>th</sup> of March represents an international annual celebration of social prescribing. This is a specific date in the calendar when we highlight the importance and significance of SP within healthcare.

This is a collaboration between patients, GPs, community groups, voluntary organisations, medical schools, academics, and students across the UK and world.

### How can I get involved in #SocialPrescribingDay?

1. **Social Media:** *We need your help!*

Share your projects, photos, videos, and success with the rest of the world on the 14<sup>th</sup> of March via **Twitter** by using **#SocialPrescribingDay**  
A media pack and pre-made tweets are available for download [HERE](#).

2. **Events**

There are several things you can do to **raise awareness** and **disseminate the benefits of social prescribing**. Apart from joining our **Social Media Campaign #SocialPrescribingDay**, depending on your team, time, and availability, [HERE'S](#) some suggestions.
